# ANNUAL E-GOVERNANCE REPORT::2023-24

E-Governance in the field of the educational sector has changed the way of administration. With the data and processes model of an educational Institution, makes the process easy, well organized and error free. This is designed to make the system user-friendly, time saving and cost saving also. It helps in improving transparency, providing speedy information, dissemination, improving administrative efficiency and public service in all the aspects of education. The institution was successful in implementing the following services in this year.

SNO	Name of the Service	Area of Operation					
1	College Automation Software(ECAP)	This Software assumes an imperative part					
		in smoothing out the everyday participation					
		and imprints framework. It is flexible and					
		developed by cutting edge technology &					
		provides an integrated platform for all the					
		students, teachers, administration & other					
		staff members. It is a web based					
		application system & user can easily access					
		from anywhere by login user ID &					
		password.					
2	Akshara IT solutions and ID Card	The software allows to generate the					
	Generation.	account statements and provides us with					
		the updated financial reports.					
3	CCTV Surveillance	CCTV surveillance system to strengthen					
		campus security. This facility offers a					
		comprehensive range of solutions to secure					
		campus infrastructure effectively.					

The Total Expenditure incurred towards e-governance during the year 2023-24 is Rs. 1,61,650/-.
